

AT-02	US-02 As a user, I want to be able to search for quizzes for a specific class to test my prerequisite knowledge.
Demo Steps	1. From the home page enter in the search field where it says getting started 2. Search for Concordia University and click the arrow. 3. A new search field is generated, enter COMP 346 and select. 4. Verify that you are taken to a page when the user can select the quiz that's been created for COMP 346
Acceptance Criteria	A quiz for COMP 346 @ Concordia University is in the database. I should be able to find quizzes for this class
Result	Pass
