

<b>AT-04</b>	<b>US-22.</b> As a user, I want to be able to retrieve my password in case it was forgotten.
Demo Steps	1. Navigate to the login page 2. click on the forgot password link 3. Enter your email address that corresponds to an already existing user profile 5. Check your email for a reset password link and click on it 6. Verify that it takes you to a reset password page 7. Enter the email Press reset and verify that you're taken to the home page and logged in 9. Log out and log back in with the new password to verify the password has changed.
Acceptance Criteria	After resetting the password I should be able to log out and then log back in <b>only</b> by using the new password
Result	Pass
