

<b>AT-13</b>	<b>US-20.</b> As a user, I want to be able to logi n to keep track of my quizzes and community interactions
Demo Steps	<ol style="list-style-type: none"> <li>1. Create a user account</li> <li>2. Find a quiz that has been created</li> <li>3. Take the quiz, comment on the quiz</li> <li>4. Log out and log in as a different user</li> <li>5. Find the same quiz and respond to the previous comment using @userName notation</li> <li>6. Log out and log back in as the previous user</li> <li>7. Verify you've received the received the notification for the response to your comment</li> <li>8. Verify that you're results from taking the quiz are displayed in your profile</li> </ol>
Acceptance Criteria	Given that I'm logged in, have taken a quiz and that someone has responded to my comment on that quiz I can view the notification about the comment and see my results for the quiz in my user profile
Result	Fail
