AT-08	US-05 As a user, I want to receive feedback from a quiz in the form of a list of relevant resources to study.
Demo Steps	1. Create a quiz and include links to learning resources 2. Log out and log back in as a new user 3. Find the quiz that you've created and take that quiz 4. Verify that at the end of the quiz the correct learning resources are produced in a list for the user.
Acceptance Criteria	Given that during quiz creation, learning resources were provided upon completing a quiz this list of links is displayed on screen
Result	not performed yet
