AT-03	**US-04 As a quiz creator, I want to be able to create a quiz to test students on their background knowledge required for the course.**
Demo Steps	1. Navigate to the create a quiz page 2. Fill in all the fields and click on Create Quiz 3. Verify that this takes you to a page titled Create New Quiz 4. Once multiple questions with answers have been made select **create quiz** 5. The question and answers fields will be cleared w/ the option to create a new quiz 6. Navigate to the home page and now search for the quiz that you've created 7. Verify that you're able to find the quiz that you've just created. 10. Take the quiz
Acceptance Criteria	I can make a quiz and then search for and find that quiz to verify it is made correctly
Result	Pass
