AT-08	US-05. As a user, I want to receive feedback from a quiz in the form of a list of relevant resources to study.
Demo Steps	1. Create a quiz and include links to learning resources 2. Log out and log back in as a different user 3. Find the quiz that you've created and take the that quiz 4. Verify that a list of learning resources is produced at the end of the quiz.
Acceptance Criteria	Given that I have just completed a quiz for which I know learning resources have been included, I see those resources upon completing the quiz.
Result	Pass
