AT-14	**US-96.** As a user, I want to be able to take a quiz to test my prerequisite knowledge
Demo Steps	1. Log in to a previously created user account 2. Find a quiz by searching from the home page 3. Take the quiz 4. Verify that you can review your results after taking the quiz in the form of a score and list of resources that can be used to study for the course this quiz was created for
Acceptance Criteria	Given that I'm logged in and a quiz has been made previously I can find the quiz, take the quiz and my results are displayed upon completion.
Result	Pass
